**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose Sonic as our ISP provider because they offer the best service in our area. We currently have competitive DSL, and look forward to Sonic connecting us to fiber in the near future.

Sonic prices are the best available in our community, and we get unlimited phone calls nationwide at no additional cost. If the big providers are allowed to squeeze small local providers out of our community, prices will go up substantially.

Competition is imperative for everyone to have equal access to broadband!
